

CROWDER CONSTRUCTION COMPANY

CIVIL & ENVIRONMENTAL DIVISION

INVITATION to BID

E.M. Johnson Water Treatment Plant

Electrical Generator Improvements – Phase 1

Crowder Construction Company is requesting bids from certified Minority and Women-Owned Business Enterprises (MWBE) on the E.M. Johnson WTP Electrical Generator Improvement Project for the City of Raleigh, NC. Crowder Construction Company has broken down or combined elements of work into economically feasible units in order to facilitate Minority and Women-Owned Business Enterprise participation. We are soliciting subcontractor bids for the following:

SCOPES of WORK (including, but not limited to):

Erosion Control, Tree Removal, Demolition, Hauling, Earthwork, Storm Drain, Asphalt Patching, Reinforced Concrete, Metal Fabrications, Process Piping, and Electrical.

The project plans and specifications may be reviewed in our office and are also available online via OneDrive. Please contact Christina Jahrling at (919) 367-2019 or CJahrling@crowderusa.com to schedule an appointment or request a link to view the project documents.

Bidding documents may also be inspected at the following locations: Associated General Contractors, offices in Charlotte and Raleigh, NC; McGraw Hill Dodge Company, online; Raleigh-Durham Minority Business Development Center, Raleigh, NC; and the Hispanic Contractors Association of the Carolinas, Raleigh, NC.

Quotes must be received in our office by **Wednesday, July 10, 2019 @ 2:00 PM EST.** We request MWBE companies include a copy of their certification.

Crowder Construction Company is willing to review any responsible quote and will negotiate terms, if appropriate. We will notify your firm if your bid is accepted for this project. If you need assistance with obtaining bonding, loan capital, lines of credit, insurance or joint pay agreements, please contact us and we will review your needs and direct you to available agencies for assistance.

Crowder Construction Company is willing to provide quick pay agreements to allow subcontractors and suppliers to meet cash flow demands. Please contact us to discuss your needs for this project.
