ADDENDUM #3 (01.30.2020)

ROOF REPLACEMENT
NORTH AMERICAN BUILDINGS
NORTH CAROLINA ZOO

Information in this Addendum is intended to amend or supersede the original contract documents (plans and specifications and/or other Addenda as applicable) for the items noted. This document will be included and made a part of the contract.

1. The Bid Opening for this project scheduled for 2:00pm EDT on Thursday, January 30, 2020 has been postponed. Bidding contractors who attended the previous mandatory Pre-Bid meeting were notified of this postponement via email and/or phone call on January 29, 2020.

2. This project is to be formally re-advertised beginning on January 30, 2020. Advertising will commence in advance of a new formal bid period.

3. Information regarding procurement of Contract Documents from plan rooms and the designer remains unchanged as described in the original Notice To Bidders.

Revised Mandatory Pre-Bid Meeting Date
An open mandatory pre-bid meeting will be held for all interested bidders on February 06, 2020 at 2:00pm in the W. David Stedman Education Center at the North Carolina Zoological Park located at 4401 Zoo Parkway, Asheboro, North Carolina. Bidders should meet in the Building's entry lobby and receive directives of exact meeting location from the front desk. The meeting will address project specific questions, issues, bidding procedures and bid forms.

The pre-bid meeting will be divided into two periods.
1. Informal period: A tour of the buildings will be conducted for prospective bidders. Areas of work will be pointed out. No questions will be addressed during the tour.
2. Formal period: Period receive project-related questions and to address bid requirements.

Revised Bid Opening Date
Proposals will be received up to February 20, 2020 at 2:00pm and immediately thereafter publicly opened and read for the furnishing of labor, material and equipment entering into the construction of:
