LeChase invites you to attend a pre-bid meeting for the City Hall HVAC & Lighting Renovations Project. This is a Design-Build project consisting of HVAC, Electrical and Architectural renovations within multiple departments of City Hall. This session will cover the bidding, pre-qualification process and diversity UBE goals.

Project Bid Date is February 18, 2020 at 1pm

**BENEFITS OF ATTENDANCE**

1. Relationship building with LeChase
2. Learn information about the project
3. Hear about project diversity program and expectations
4. Understand the prequalification process
5. Receive information on the bid process and timeline
6. Collaboration with M/WBE firms
