

Invitation to Bid:

Hall Contracting is currently soliciting quotes from interested NCDOA/HUB, NCDOT, or other local government listed MBE/WBE subcontractors, businesses, and suppliers for the upcoming Kannapolis Crossing Off-Site Utilities Contract 2: Sewer

Scope of Work:

Erosion Control, Electrical, Asphalt Paving, Concrete Paving, Fencing, Clearing and Grubbing, Material Hauling, Seeding and Mulching, Jack and Bore, Horizontal Directional Drilling

Materials: Pipe, Fittings, Valves, Aggregates, Generators, Precast Manholes / Vaults

Project consists of: A new duplex submersible sewer pump station, approximately 5,000 FT of 10" sewer force main and approximately 5,000 FT of gravity sewer and associated manholes.

Quotes are due by Tuesday April 13th, 2021 @ 4:00 P.M.

Hall Contracting will break down or combine elements of work into economically feasible units to facilitate WBE and MBE participation. We offer Quick Pay Commitment to pay all M/WBE's participating in the Construction Contract within 20 days after the M/WBE has properly performed and the M/WBE's work has been properly completed to enable M/WBE's contractors and suppliers to meet cash-flow demands. If you need assistance with obtaining bonding, loan capital, lines of credit, and insurance or joint pay agreements please contact us, and we will review your needs and direct you to available agencies for assistance.
