Notes:

1. Many subcontracts may require a bond. Please check with the estimator when quoting the project. If you need assistance with obtaining bonding, lines of credit, or insurance required by the owner or Barnhill Contracting Company, please do not hesitate to contact us. We will assist in getting bonds or insurance if necessary. We would appreciate if you could contact us a minimum of 5 days prior to bid day, when possible.
2. Please feel free to contact us if you need assistance in obtaining necessary equipment, supplies, materials, or related services. Joint check and or quick pay agreements can be arranged to help with cash flow issues.
3. We will be glad to accept collect calls regarding this project. Bids for this project goes in at 2:00 PM on Thursday, February 3, 2022 so we ask that all quotes be into us as soon as possible, preferably by Tuesday, February 1, 2022 and no later than 5:00 PM on Wednesday, February 2, 2022 to allow us enough time for compiling our tabulations.
4. For hauling operations, we will need to know how many of your own hauling units will be available for this project. We will need this on your written quote prior to bid time and this will be made a part of any subcontract.
5. Plans and specifications are available for download free of charge at either our website <https://barnhill.planscope.com/jobs/1216/specs/274-tfs-1-22-2022-city-of-raleigh-street-resurfacing> or the State of North Carolina Interactive Purchasing System <https://www.ips.state.nc.us/IPS/AGENCY/PDF/14586600.pdf>.
6. Plans and specs may also be viewed in our office. Please call for an appointment.
7. By submitting a quote, it is understood that you have read and understand the specifications on the project.

This project includes subcontracting opportunities on, but not limited to hauling asphalt and millings, concrete curb/gutter, wheel chair ramps, sidewalk, adjustment of manhole rings/covers and watervalue boxes, full width street milling, asphalt patching and curb edgemilling, work zone traffic control, pavement markings, speed hump installation, and signal loops. If you have any interest in this project, we would appreciate your advising us of the items you may be interested in performing by contacting the above listed estimator by phone, email or fax.

We will accept quotes on any portions of these projects, large or small. Where practical, we will work to break down or combine portions of work to encourage your participation.

We would appreciate hearing from you at your earliest convenience. If you need additional information or help, you may note it on the listing sheet. Collect calls will be accepted.

The low responsible subcontractor at the time the bid is turned in will be awarded those items, if Barnhill Contracting Company wins the contract.

Yours very truly,
