CLANCY & THEYS CONSTRUCTION COMPANY Invites you to an Information Session for WAKE COUNTY PUBLIC SCHOOLS' FELTON GROVE HIGH SCHOOL (H12)

Information Session

Clancy & Theys Construction Company has been selected as the Construction Manager at-Risk (CMAR) for the WCPSS Felton Grove High School designed by RATIO. This session will provide interested first and second-tier subcontractors, vendors, and suppliers with pertinent information regarding this project. There will be an opportunity to discuss the prequalification procedures, bid package opportunities, and the CMAR process. Participants will also have an opportunity to talk to members of the construction management team.

Prequalification

Prequalification forms are now being accepted from first-tier subcontractors for Release 2, and Release 3 bid packages. (Early prequalification submittals are strongly recommended.) All first-tier subcontractors must be prequalified in order to submit a bid. There will be second and third-tier opportunities available.

WCPSS and Clancy & Theys Construction Company have an affirmative policy of fostering, promoting, and conducting business with Historically Underutilized Business (HUB) enterprises. HUB contractors are encouraged to submit prequalification forms to participate in the bidding process.

Prequalification forms are available by contacting Lisa Horton.
