

**RALEIGH-DURHAM AIRPORT AUTHORITY**  
**BUSINESS OPPORTUNITY WORKSHOP**  
**FOR**  
**CONSTRUCTION MANAGERS AND CONTRACTORS (PRIME AND SUB)**  
**October 7, 2022**

**General Information**

The Raleigh-Durham Airport Authority will be conducting a Business Opportunity Workshop on October 7, 2022, beginning at 8:30 a.m. (registration begins at 8:00 a.m.), at the Sheraton Imperial Hotel Raleigh-Durham International Airport at Research Triangle Park, 4700 Emperor Blvd., Durham, NC. The purpose of this workshop will be to educate and inform construction managers and contractors (prime and sub) about upcoming capital improvement projects at the Raleigh-Durham International Airport. Projects that will be discussed include the expansion of Terminal 2, Consolidated Rental Car Facility development, parking lot, roadway system and interchange improvements. The agenda will include a briefing by airport staff, an overview of the typical contractor selection process, networking opportunities with other firms and Airport Authority staff. The workshop will conclude at noon.

**Pre-registration is required:** Use this link for pre-registration: <https://www.eventbrite.com/e/rdu-business-opportunity-workshop-tickets-415580170477>

**RDU Staff Networking**

In order to provide maximum opportunity for RDU staff to meet with interested construction managers and contractors the Business Opportunity Workshop will allocate from approximately 10:0am until noon on October 7 for networking opportunities. RDU staff from the following areas will participate:

Facility Asset Management (airside and landside engineering)  
Buildings and Building Systems  
Project Management Office  
Executive Leadership

**Questions**

Any questions concerning the Workshop must be addressed to: [smallbusiness@rdu.com](mailto:smallbusiness@rdu.com)
