Wayne Brothers, Inc. strongly supports and encourages the use of Minority and Woman-Owned Business Enterprises.

Quick payment agreements and policies can be arranged to enable minority contractors and suppliers to meet cash-flow demands.

Wayne Brothers, Inc. is also willing to divide or combine elements of this project into economically feasible units on a case-by-case basis, by those who request it.

Bids are being accepted for trades, especially the following:

- Hauling
- Rebar Installation

Please direct any project related questions to:

Senior Estimator, Brian Freeze, brian.freeze@waynebrothers.com or 704.956.2246
