Company _____

Scope Bidding _____

Please indicate if you are a minority bidder approved by the NCDOA and list your minority status: _____
Cardinal Landscaping has an affirmative policy of fostering, promoting and conducting business with small, disadvantaged, disabled, and women and minority owned enterprises and they are encouraged to participate in this bid. We will review all responsible quotes and qualified invoices and individual needs as related to the bidding project and also direct you to available agencies for assistance. The following are areas that can be reviewed and will be considered:

1. Joint pay agreements and the opportunity to rent equipment from Cardinal Landscaping.
2. Assistance and direction in obtaining bonding or insurance.
3. Joint venture or partnership agreement, if appropriate.
4. Modifying our payment schedule to meet individual needs on submission of qualified invoice. Typically, this means inserting a quick pay clause in the subcontract which allows for two billings per month in lieu of one.

As additional help we have plans, specifications and requirements available for review by prospective minority and women owned businesses in our office plan room. After reviewing them we can provide these documents to you on a CD or paper copy prior to the bid day.

We will also accept quotations for specific elements of work that have been broke down or combined into economically feasible units to facilitate MWBE participation.

Please Itemize Your Quote on Your Proposal if bidding multiple items.

Thank you,
Tracy McDonald
