

Virtual meeting on bidding and construction of the UNC Chapel Hill | Avery Residence Hall Renovation *Thursday, December 14, 2023 @ 4:00pm*

LeChase | SGS is hosting an MWBE outreach and information session for all construction industry-related firms (majority and minority) that have an interest in providing goods and/or services for this project.

PROJECT DESCRIPTION

Avery Residence Hall Addition and Renovation is a 5-story 68,000-SF building originally constructed in 1958. This renovation will include a new stair tower addition with an elevator to accommodate ADA accessibility. Other scopes include, site utility upgrades, and mechanical and electrical upgrades. There are also structural and architectural finish upgrades. **Construction to start Summer 2024.**

Drawings and Contract Documents will be released late Q1/early Q2 2024.
