**SECTION 00 11 13
RE-ADVERTISEMENT FOR BIDS**

**CITY OF ELIZABETH CITY, NORTH CAROLINA
BRIDGE REPLACEMENT ON RIVERSHORE ROAD OVER THE PASQUOTANK RIVER**

Sealed Bids for the construction of the **Bridge Replacement on Rivershore Road over the Pasquotank River** will be received by hand delivery to the City of Elizabeth City, in the **City Hall Council Chambers, second floor, located at 306 East Colonial Avenue, Elizabeth City, NC**, until **2:00 pm** local time on **March 06, 2024**, at which time the Bids received will be publicly opened and read.

The Project consists of installation of sedimentation and erosion control measures; traffic control measures; demolition work which includes selective clearing and grubbing, the removal of two approximately 60-inch corrugated metal pipes from the existing river channel, saw-cutting pavement, removal of pavement and curb and gutter, and abandonment of an 8-inch water main and 2-inch force main; construction of the new bridge which consists of driving piles, constructing end bents and wing walls, constructing the slab bridge and barriers, and approach slab on each side; utility work, which includes installing the new 8-inch water main, fire hydrant, connections to existing water mains, relocating the existing water main under the new drainage pipe, testing and disinfection; drainage work which includes the installation of area drains and drainage pipes; roadway work which includes providing and installing select backfill, compaction, pavement, curb and gutter, and guard rails; site improvement work which includes cleaning up, seeding, fertilizing and mulching all of the disturbed areas; any required bypass pumping to lessen potential flooding on the pond side (west side) of the bridge; any required cofferdam dam installation and removal work; any required dewatering work; and all else required; complete in every respect; tested and accepted; and placed into operation to the satisfaction of the Owner and Engineer. The foregoing description shall not be construed as a complete description of all work required.

Bids will be received for a General Construction Contract with a license classification for Highway Contractor. Bids shall be on a lump sum basis.

The Issuing Office for the Bidding Documents is **AECOM Technical Services of North Carolina, Inc.**, located at 5438 Wade Park Boulevard, Suite 200, Raleigh, NC 27607, telephone 919-819-9352, Attention Steve Scruggs, email address: steve.scruggs@aecom.com. Prospective Bidders may examine the Bidding Documents at the Issuing Office on Mondays through Fridays between the hours of 8:00 am to 5:00 pm, and may obtain an electronic copy, pdf format, of the Bidding Documents from the Issuing Office.

Bidding Documents may be examined at Engineer's office and at: Construct Connect, online; McGraw Hill Dodge Company, online; Construction Journal, online; and NC Institute of Minority Economic Development (a.k.a. The Institute), online.

The City's goal is to contract or sub-contract ten percent (10%) of the contract amount to certified MWBE's on this project.

Bid Security in the amount of five percent (5%) of the Bid must accompany each Bid.
