BID DATE/TIME: February 27, 2024 @ 2:00 PM

SCOPE DUE: February 26, 2024

Project Description: Renovation of a water/sewer pump station in Robersonville, North Carolina.

CONTRACT DOCUMENTS, INCLUDING DRAWINGS AND TECHICAL SPECIFICATIONS are available at Laughlin-Sutton construction Company, located at 5855 Rudd Station Rd., Browns Summit, NC 27214 or through iSqFt.com. Both are available free of charge. You will be notified, via email, if there are any future addenda.

Prospective bidders may obtain bidding documents upon the submittal of the **non-refundable fee**, as listed below, to the attention of Ms. Katrina Perry (kperry@thewootencompany.com) at the issuing office.

Access to the website download of PDF: Registration and access to the Issuing Office Project Bidding site for electronic download of Bidding Documents as PDF files for a fee in the amount of \$50.00. This does not include printed copies.

Access to website and printed copies: Bidding Documents, including full size drawings, will be shipped to the bidder for a fee in the amount of \$100. The Bidding Documents will be shipped UPS ground. This fee will include registration and access to the Issuing Office Project Bidding site for electronic download of Bidding Documents as PDF files.

CONTACT: Lance Pollock, project manager, will receive questions regarding this project via phone, fax or e-mail at lancepollock@laughlinsutton.com, Cell (336) 339-3325. All proposals will be sent to him as well at the email address listed above.

Note: It is each subcontractor/vendor's responsibility to review all bid documents issued for this project in order to provide a complete scope of work and cost proposal.

PROPOSAL, WITH PRICING REQUESTED BY 11:00 AM ON FEBRUARY 27, 2024.

Please indicate your intentions to bid this project on page 2 by filling out and faxing or emailing this form back no later than FEBRUARY 22, 2024 at 5:00 pm, or by selecting “Will Bid, Won’t Bid or Under Review” in this email. Returning this form will also ensure that you are notified of any future changes issued via addendum. Additionally, please notify Laughlin-Sutton of any changes to your address or primary contact as noted herein.

_____ We **WILL BID** the project _____ We **WILL NOT BID** this project

Laughlin-Sutton Construction Company will negotiate fairly with interested M/WBE firms and will not reject any M/WBE firms as unqualified without sound reason based on a thorough investigation of their capabilities. M/WBE firms not selected for the work can contact Lance Pollock, Laughlin-Sutton Construction Company, for information as to why they were not selected.

Bonding may be a requirement, please provide your bond rate for this possibility _____

COMPANY NAME: _____

MINORITY CLASSIFICATION (MBE, WBE, etc.) if applicable: _____
(Please be aware that a copy of your certification will be required if awarded the contract.)

SCOPE OF WORK PLANNING ON BIDDING: _____

Laughlin-Sutton will assist M/WBEs in getting required bonding on the construction contract by offering bonding assistance, or by providing alternatives to bonding for M/WBEs.

Laughlin-Sutton will provide one of the following types of assistance to M/WBEs in connection with the contract:

Assistance in obtaining equipment, joint pay agreements, purchase of supplies, or letters of credit, including waiving credit that is ordinarily required; or

Assistance in obtaining the same unit pricing with the Bidder’s/Participant’s suppliers as the Bidder/Participant.
